

UTAH, SALT LAKE CITY 84112-9155. University of Utah. The Department of Geography invites applications for a tenure-track position at the Assistant Professor level starting July 2009. We seek a geographer with a research emphasis that complements department strengths in one (or more) of the following areas: i) **medical geography**; ii) **transportation**; iii) **human-environment interactions**, including human dimensions of climate change; or, iv) **hazards**. Also desirable are technical strengths in **GIS, cartography** and/or **spatial analysis**.

The Department of Geography emphasizes scientific geography within the focus areas of urban/economic systems, Earth system science and geographic information science. The department offers Bachelors', Masters' and PhD degrees in geography. The department is home to the Digitally Integrated Geographic Information Technologies (DIGIT) Laboratory, a state-of-the-art GIS/remote sensing facility, the Center for Natural and Technological Hazards (CNTH), the Records of Environment and Disturbance (RED) Laboratory and the Snow Optics Laboratory (SOL). The department also administers a unique interdisciplinary Certificate Program in Geographic Information Science with the School of Computing. There are also opportunities for multidisciplinary research through the university's Institute of Public and International Affairs.

The University of Utah is a comprehensive and diverse public institution located on the Wasatch Front urban corridor with easy access to research and recreational opportunities in the Rocky Mountains, Great Basin and the Colorado Plateau. Salt Lake City, home of the 2002 Winter Olympics, is a dynamic and high-tech metropolitan area with outstanding cultural and entertainment amenities, modest cost of living, and a sunny, dry four-season climate. For more information on the Department of Geography, see <http://www.geog.utah.edu>.

Submit a letter of application including research and teaching interests, vitae, teaching evaluations (if available) and the names, addresses, phone numbers and email addresses of three referees by 29 September 2008. Applications received after the deadline may be considered until the position is filled. *The University of Utah is an Equal Opportunity/Affirmative Action employer, encourages applications from women and minorities, and provides reasonable accommodations for the known disabilities of applicants and employees. The University of Utah values candidates who have experience working in settings with students from diverse backgrounds, and possess a strong commitment to improving access to higher education for historically underrepresented students.*

Apply: Harvey J. Miller, Chair, University of Utah / Department of Geography / 260 S Central Campus Drive, Room 270 / Salt Lake City UT 84112-9155.
