GIS Internship Opportunity
State of Utah School and Institutional Trust Lands Administration
Salt Lake City Office

The State of Utah School and Institutional Trust Lands Administration (SITLA) is accepting applications for a part time, not to exceed 29 hours a week, time limited, not to exceed 6 months, paid internship within our IT-GIS Group. The ideal candidate should be a highly motivated and detail-oriented individual that will perform beginning level GIS tasks. This internship opportunity is geared toward college students seeking to supplement their academic training, and expand their professional knowledge and skills in the GIS within a land management agency.

The GIS Intern is responsible for a wide variety of entry level GIS and record keeping tasks. Projects will focus on integration of historic land exchanges parcels into the current GIS system, surface commodity parcel construction, locating historic easements using aerial imagery interpretation, basic map production.

Qualifications:

1. Working knowledge using Esri ARCGIS 10.0 or newer
2. Familiarity with the public land survey (PLSS, GCDB) and legal land descriptions.
3. Comfortable with geodatabase concepts and versioning maintenance.
4. Familiarity with ArcGIS Online organizational accounts
5. Attention to details in a fast-paced work environment.

Hourly wage: $15 an hour
Hours per week: Not to exceed 29 hours a week
Time Limited: Not to exceed 6 months
Location: Salt Lake City, Utah
Start Date: March 1, 2015

Please e-mail letter of interest and resume to jessicakirby@utah.gov before February 20, 2015.
